

here comes the bride

bridal make-up with style, for a natural look

At Beauty Works, Horsham, brides can expect to enjoy a high standard of service through all stages of skincare and make-up planning for their Wedding Day.

We can offer professional skincare and make-up advice and application to ensure you look radiant on your special occasion.

Brides and their bridal party will benefit from techniques used by the International School of Make-Up, London, and from experience gained over the past 10 years in bridal and photographic make-up.

Clients have a selection of products from a variety of product houses and we can choose the right shade of foundations for different skin tones, highlighters and eye shadows to bring out your eye colour and delicious tints and glosses for kissable lips.

Products are available to order
or purchase on the day.
